

It's Gonna Rain Lyrics

(Come on in This House)

1.

Can't you see the clouds gathering?
Don't let it be said too late.
There's a brand-new feeling in the air.
Better run, to the ark, before the rain starts.

2.

Come on in this house,
'Cause it's gonna rain! (It's gonna rain!)
Rain down fire,
It's gonna rain, you better- (Come on in this house!)

3.

Door stands wide open,
Just call his name,
Don't wait too late, 'cause-
It's gonna rain!
