

## Keep on Keepin' on Lyrics

**Tenors:** Sometimes it seems like this world is out to get me.

**Bass:** Sometimes it seems like I'm always two steps behind.

**Altos:** But when I find myself beaten down and broken,

**Sopranos:** I just pick myself up, and dust myself down, and say...

### **CHORUS**

**All:** I'm gonna keep on, keep on, keep on keepin' on.

I'm gonna keep on, keep on, keep on keepin' on.

When I find myself in a spot of bother,

Gonna put one foot in front of the other!

Gonna keep on, keep on, keep on keepin' on.

**Solo:** When I'm stuck at home with nowhere to go!

**All:** I'm gonna keep on keepin' on.

**Solo:** And these working hours are going so slow.

**All:** I'm gonna keep on keepin' on.

**Solo:** When the TV's only showing bad news,

**All:** I'm gonna keep on keepin' on.

**Solos:** I won't let the stories give me the blues.

**All:** I'm gonna keep on keepin' on.

### **CHORUS**

**Bass:** Keep on, keep on, keep on keepin' on- yeah!

Keep on, keep on, keep on keepin' on I will----- **REPEAT**

**Tenors:** Keep on, I'm gonna keep on, keep on keepin' on.
